IV. CASH PAYMENT A – DOCUMENTED LOSSES

All Settlement Class Members are eligible for compensation of up to \$5,000 per Settlement Class Member for documented losses incurred as a result of the Data Incident.

To be eligible to receive Cash Payment A, Settlement Class Members will be required to submit reasonable documentation supporting the losses. Settlement Class Members shall not be reimbursed for expenses if they have been reimbursed for the same expenses by another source, including compensation provided in connection with the identity theft protection and credit monitoring services offered as part of the notification letter provided by Defendants or otherwise. If a Settlement Class Member does not submit reasonable documentation supporting a loss, or if their Claim is rejected by the Settlement Administrator for any reason, and the Settlement Class Member fails to cure his or her Claim, the Claim will be rejected and the Settlement Class Member's Claim will be as if they elected Cash Payment B..

Settlement Class Members with documented losses must submit documentation supporting their claims. This can include receipts or other documentation not "self-prepared" by the claimant that document the costs incurred. "Self-prepared" documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation.

**You must have documented losses incurred as a result of the Data Incident
and submit supporting documentation to obtain this benefit.**

☐ I have attached documentation showing that the documented losses were more likely than not caused by the Data Incident. "Self-prepared" documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support to other submitted documentation.

Complete the chart below describing the supporting documentation you are submitting.

Cost Type (Fill all that apply)	Approximate Date of Loss	Amount of Loss	Description of Reasonable Supporting Documentation (Identify what you are attaching and why)
