Re: Legal Notice: *Diisocyanates Antitrust Settlement*

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

In re: Diisocyanates Antitrust Litigation, No. 18-1001, MDL No. 2862
United States District Court for the Western District of Pennsylvania

Records show you purchased certain diisocyanate chemical Products from January 1, 2016 through July 9, 2026 and you could be eligible for a payment from a class action settlement.

A Federal court authorized this Notice. You are not being sued. This is not a solicitation from a lawyer.

Name: <<Company>>

Class Member ID: <<RefNum>>

A proposed Settlement has been reached with Wanhua Chemical (America) Co., Ltd. (the “Settling Defendant” or “WCA”) in a consolidated class action lawsuit that alleges that, from January 1, 2016 through July 9, 2026, WCA conspired with other chemical manufacturer Defendants to fix prices and restrict the supply of methylene diphenyl diisocyanate (MDI) and toluene diisocyanate (TDI), no matter the trade name under which such product is sold (the “Products”). The Products are industrial chemicals widely used in the production of polyurethanes for construction, automotive, furniture, and consumer goods. WCA has denied these allegations and any wrongdoing.

To avoid the risks and costs of continuing the Litigation, both sides have agreed to a Settlement. The Litigation will continue against the other Defendants: Dow Chemical Company, Huntsman Corporation, and Huntsman International LLC.

Settlements were previously reached with BASF Corporation and Covestro LLC.

Am I included? You are receiving this notice because WCA’s records show you are included in the WCA Settlement Class. The WCA Settlement Class includes all persons and entities in the United States, its territories, and/or the District of Columbia who purchased the Products, directly (including through controlled subsidiaries, agents, affiliates and/or joint ventures) from any of (1) current and former Defendants in the Action¹ or (2) the subsidiaries, affiliates, or successors of any of the foregoing, at any time from January 1, 2016 through July 9, 2026.

What does the Settlement provide? Under this Settlement, WCA has agreed pay \$7,750,000 into a Fund for payments to WCA Settlement Class Members, court-approved attorneys’ fees, costs and expenses, service awards, and notice and administration costs. WCA has also agreed to use reasonable best efforts to authenticate a number of documents previously provided in the Litigation.

¹ “Defendants” means all those entities set forth in Paragraph 12 of the WCA Settlement Agreement.

How do I get a payment? You must submit a Claim Form online by clicking [here](#) or by U.S. Mail postmarked by **October 13, 2026** to receive a payment. Your *pro rata* payment under the Settlement will be based on your validated direct purchases of MDI and/or TDI from any of the Defendants (or their subsidiaries, affiliates, or successors) at any time from January 1, 2016 through July 9, 2026. Your purchase amounts, if known, have been provided in the mailed Notice you will or have received and may also be viewed by starting the Claim Form process online. If no amount is listed, you will need to provide this information, along with supporting documentation, to receive a payment. If you believe your purchase amounts are inaccurate, you may provide additional information when submitting your claim online or by including a Purchase Audit Form with your mailed Claim Form. To request a form, click [here](#) or call **(833) 930-0157**.

What are my other rights and options? If you do nothing, you will not receive a payment, you will remain a WCA Settlement Class Member, and you will give up your rights to sue WCA for the claims resolved by this Settlement. If you do not want a payment, but you want to keep your right to sue WCA for the claims resolved by this Settlement, you must exclude yourself from the WCA Settlement Class (called “opting out”). If you do not opt out, you may object to the Settlement and ask the Court for permission to speak at the Fairness Hearing. The exclusion and objection deadline is **October 13, 2026**.

The Fairness Hearing. The Court will hold a hearing on **December 7, 2026** to decide whether to approve the Settlement and up to one-third of the Fund in attorneys’ fees, costs, and expenses, and \$15,000 Service Awards for each of the Plaintiffs. The Plaintiffs are Utah Foam Products, Inc., Rhino Linings Corporation, Tri-Iso Tryline LLC, and American Polymers Corp. You or your lawyer may attend the hearing at your own expense. The date and time of this hearing may change without further notice. Please check the settlement website for updates.
