Philadelphia, PA, [Month 00, 2024]/PRNewswire/ -- The following statement is being issued by Kroll Settlement Administration regarding the Fisher Price Rock 'n Play Sleeper Settlement.

## WHAT IS THIS LAWSUIT ABOUT?

A proposed Settlement has been preliminary approved by the Court in a class action lawsuit against Fisher-Price, Inc. and Mattel, Inc. The lawsuit is called In Re: Fisher-Price Rock 'N Play Sleeper Marketing, Sales Practices, and Products Liability Litigation, MDL No. 2903, United States District Court for the Western District of New York, that claims that the RNPS is an unsafe sleeping environment for infants.

**All inclined sleepers with an inclined sleep surface greater than ten degrees are considered a banned hazardous product under the Safe Sleep for Babies Act of 2021.
