Skip this section if you are submitting for a Cash Payment only.

Each Settlement Class Member can seek payment for documented losses of up to \$5,000 that occurred in 2019 or later, upon presentation of documented losses fairly traceable to the Data Incident.

To receive a Documented Loss Cash Payment, Settlement Class Members must elect Documented Loss Cash Payment on the Claim Form attesting under penalty of perjury to having incurred documented losses. Claiming Settlement Class Members will be required to submit reasonable documentation supporting the losses. Such losses must have been incurred in 2019 or later through the date of Claim submission and incurred as a result of the AT&T 1 Data Incident. Reasonable documentation can include receipts or other documentation not self-prepared by the Claimant that documents the costs incurred.

Self-prepared documents such as handwritten receipts, accountings, statements, declarations, and/or affidavits prepared by the Settlement Class Member are, by themselves, insufficient for reimbursement, but may be considered alongside other submitted documentation.

I have attached documentation showing that the documented ordinary losses were more likely than not caused by the AT&T 1 Data Incident.
