A settlement has been reached in a class action lawsuit concerning a Data Security Incident perpetrated against Defendants Arthur J. Gallagher & Co. (“AJG”) and Gallagher Bassett Services, Inc. (“GB,” and collectively with AJG “Defendants”). Between June 3, 2020 and September 26, 2020, an unknown party accessed or acquired data contained within certain segments of Defendants’ network during a criminal ransomware attack (the “Data Security Incident”). The Settlement would resolve a lawsuit in which Plaintiffs allege that the Data Security Incident exposed individuals’ personal identifying information (“PII”) and personal health information (“PHI”), including some combination of names; Social Security numbers and tax identification numbers; driver’s license, passport and other government identification numbers; dates of birth; usernames and passwords; employee identification numbers; financial account and credit card information; and/or electronic signatures, as well as medical treatment, claim, diagnosis, medication or other medical information; health insurance information; medical records or account numbers; and/or biometric information. Defendants deny all claims of wrongdoing or liability that Plaintiffs, Settlement Class Members, or anyone else have asserted in this Litigation or may assert in the future based on the conduct alleged in the complaint.

Who is included in the Settlement? The Settlement Class is defined by the Court as “the approximately 3,492,654 individuals identified on the Settlement Class List who were mailed a letter from AJG or GB stating that their information may have been impacted as a result of the Data Security Incident.”

What are the settlement benefits? Settlement Class Members who submit valid claims and any required documentation may receive one or more of the following, to be paid from the \$21,000,000.00 Settlement Fund: (i) three (3) years of Financial Account Monitoring Services, (ii) Compensation for Unreimbursed Documented Monetary Losses up to \$6,000, and (iii) a pro rata cash payment as an alternative to claiming Financial Account Monitoring. In addition, Settlement Class Members who were residents of California at any time from June 3, 2020, to the end of the claims period (“California Settlement Class Members”) can submit a claim for payment of up to \$100 for their statutory claims under the California Consumer Privacy Act. Visit the settlement website or call the toll-free number below for complete benefit details.

How do I receive a payment or other benefit? To receive any payments or benefits under the Settlement, you **MUST** submit a claim. To submit a claim, you may either: (i) fill out, detach, and mail the attached Postcard Claim Form to the Settlement Administrator; or (ii) submit a Claim Form by mail or online at www.ajgdatasettlement.com. You may also call [\[InsertPhoneNumber\]](tel:18002222222) to request that a Claim Form be mailed to you. **Claims must be submitted online or postmarked by [\[InsertPhoneNumb](tel:18002222222)er], 202**.

What are my other options?

If you **Do Nothing**, you will be legally bound by the terms of the Settlement, and you will release your claims against Defendants and other Released Parties as defined in the Settlement Agreement. If you do not want to be legally bound by the Settlement, you must **Exclude Yourself** by [\[InsertPhoneNumb](tel:18002222222)er], 202, or you will not be able to sue the Defendant for released claims relating to the Data Security Incident. If you exclude yourself, you cannot get money or benefits from this Settlement. If you want to **Object** to the Settlement, you may file an objection by [\[InsertPhoneNumb](tel:18002222222)er], 202. The detailed Notice explains how to submit a Claim Form, exclude yourself, or object.

Do I have a Lawyer in this Case?

Yes, the Court appointed Gary M. Klinger of Milberg Coleman Bryson Phillips Grossman PLLC, John Yanchunis of Morgan & Morgan Complex Litigation Group, and M. Anderson Berry of Clayco C. Arnold, A Professional Corporation. If you want to be represented by your own lawyer, you may hire one at your own expense.

When will the Court decide whether to approve the Settlement? The Court will hold a hearing in this case on [\[InsertPhoneNumb](tel:18002222222)er], 202, at the United States District Court for the Northern District of Illinois, Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, Illinois 60604 to consider whether to approve the Settlement. The Court will also consider Class Counsel’s request for attorneys’ fees of up to one-third of the Settlement Fund (or \$7,000,000) and reimbursement of litigation expenses for litigating the case and negotiating the Settlement on behalf of the Class, and service awards between \$5,000 and \$7,500 for each of the Plaintiffs. You may attend the hearing, but you do not have to.

For more information, call toll-free [\[InsertPhoneNumber\]](tel:18002222222) or visit www.ajgdatasettlement.com and read the detailed Notice.
