CLASS ACTION

**[PROPOSED] ORDER GRANTING FINAL
APPROVAL OF CLASS ACTION SETTLEMENT**

WHEREAS, on _____, 2026, a Preliminary Approval Order was entered by the Court preliminarily approving the proposed Settlement pursuant to the terms of the Parties' Settlement Agreement, and directing that Notice be given to the Settlement Class.

WHEREAS, pursuant to the notice requirements set forth in the Settlement Agreement and in the Preliminary Approval Order, the Settlement Class was notified of the terms of the proposed Settlement, of the right of Class Members to object or opt-out, and of the right of Class Members to be heard at a Final Approval Hearing to determine, *inter alia*: (1) whether the terms and conditions of the Settlement Agreement are fair, reasonable, and adequate for the release of the claims contemplated by the Settlement Agreement; and (2) whether the Final Approval Order and Judgment should be entered dismissing this Action with prejudice;

WHEREAS, a Final Approval Hearing was held on _____, 2026. Class Members were notified of their right to appear at the Final Approval Hearing in support of or in opposition to the proposed Settlement, the award of attorney's fees, costs, and expenses to Class Counsel, and requested Service Awards to Class Representatives.

NOW, THEREFORE, the Court having heard the presentation of Class Counsel and Lemonade's Counsel, having reviewed all of the submissions presented with respect to the proposed Settlement, having determined that the Settlement is fair, reasonable, and adequate, having considered the application for attorney's fees, expenses, and costs made by Class Counsel and the application for Service Awards to the Class Representatives, and having reviewed the materials in support thereof, and good cause appearing:

THIS COURT FINDS AND ORDERS AS FOLLOWS:

1. The capitalized terms used in this Final Approval Order shall have the same meaning as defined in the Settlement Agreement except as may otherwise be ordered.
2. The Court has jurisdiction over the subject matter of this Action and over all claims raised therein and all Parties thereto, including the Settlement Class.
3. The Court hereby approves the Settlement, including the plans for implementation and distribution of the settlement relief, and finds that the Settlement is, in all respects, fair, reasonable, and adequate to the Class Members, within the authority of the Parties and the result of extensive arm's-length negotiations. The Parties shall effectuate the Settlement Agreement in accordance with its terms. The Settlement Agreement and every term and provision thereof shall be deemed incorporated herein as if explicitly set forth and shall have the full force of an Order of this Court.
4. There are ___ objections and ___ opt outs to the Settlement. Those Class Members who timely and properly opted out from the settlement are identified in **Exhibit 1** to this order.
5. The Settlement Class, which will be bound by this Final Approval Order, shall include all members of the Settlement Class who did not submit timely and valid requests to be excluded from the Settlement Class.

6. For purposes of the Settlement and this Final Approval Order, the Court hereby:

a. certifies the following Settlement Class pursuant to Fed. R. Civ. P. 23: all living, natural persons residing in the United States whose Personal Information was compromised in the Data Exposure, including all persons who were sent notice of the Data Exposure. Excluded from the Settlement Class are: (1) the Judge(s) presiding over the Action and members of their immediate families and their staff; (2) Lemonade, its subsidiaries, parent companies, successors, predecessors, and any entity in which Lemonade or its parents, have a controlling interest, and its current or former officers and directors; (3) natural persons who properly execute and submit a Request for Exclusion prior to the expiration of the Opt-Out Period; and (4) the successors or assigns of any such excluded natural person.

b. appoints Plaintiffs Brian Murray and Leslie Linwood Rich, for settlement purposes only, as representatives of the Settlement Class. The Court finds that the Class Representatives are similarly situated to absent Settlement Class Members and are typical of the Settlement Class, and, therefore, they will be adequate Class Representatives.

c. appoints Melissa R. Clark and Andrew W. Ferich of Ahdoot & Wolfson, PC, Mark B. DeSanto and E. Michelle Drake of Berger Montague, PC, and John A. Yanchunis and Ron Podolny of Morgan & Morgan Complex Litigation Group as Class Counsel;

d. finds that the dissemination of Notice to Class Members: (a) was implemented in accordance with the Preliminary Approval Order; (b) constituted the best notice practicable under the circumstances; (c) constituted notice that was reasonably calculated, under the circumstances, to apprise Class Members of (1) a description of the

material terms of the Settlement, including its Releases, their right to exclude themselves from the Settlement Class or object to all or any part of the Settlement, their right to appear at the Final Approval Hearing (either on their own or through counsel hired at their own expense), and the binding effect of final approval of the Settlement on all persons who do not exclude themselves from the Settlement Class; (2) how to submit a Claim Form; (3) the Claims Deadline; (4) the last day of the Opt-Out Period for individuals in the Settlement Class to opt-out of the Settlement Class; (5) the Objection Deadline for Class Members to object to the Settlement and/or motion for a Fee Award and Costs and Class Representative Service Awards; (6) the Final Approval Hearing date; and (7) the Settlement Website address at which Class members may access the Settlement Agreement and other related documents and information; (d) constituted due, adequate, and sufficient notice to all natural persons entitled to receive notice of the proposed Settlement; and (e) satisfied the requirements of Fed. R. Civ. P. 23, the Constitution of the United States (including the Due Process Clause), and all other applicable laws and rules; and

e. finds that notice under the Class Action Fairness Act was effectuated within the time required by 28 U.S.C. § 1715, and 90 days have passed without comment or objection from any governmental entity.

7. All persons who have not made their objections to the Settlement in the manner provided in the Settlement Agreement are deemed to have waived any objections by appeal, collateral attack, or otherwise.

8. Within the time periods set forth in the Settlement Agreement, the Settlement Benefits provided for in the Settlement Agreement shall be paid to the Class Members submitting valid Claim Forms, pursuant to the terms and conditions of the Settlement Agreement.

9. Upon the Effective Date, Class Members who did not validly and timely opt-out shall, by operation of this Final Approval Order, have fully, finally, and forever released, relinquished, disclaimed and discharged Defendants from all claims that were or could have been asserted in the Action.

10. All Class Members who did not validly and timely opt-out are hereby permanently barred and enjoined from filing, commencing, prosecuting, maintaining, intervening in, participating in, conducting or continuing, either directly or in any other capacity, any action or proceeding in any court, agency, arbitration, tribunal or jurisdiction, asserting any claims against Defendants released pursuant to the Settlement Agreement.

11. The terms of the Settlement Agreement and this Final Approval Order shall have maximum *res judicata*, collateral estoppel, and all other preclusive effect in any and all claims for relief, causes of action, suits, petitions, demands in law or equity, or any allegations of liability, damages, debts, contracts, agreements, obligations, promises, attorney's fees, costs, interest or expenses which were or could have been asserted in the Action or in any third party action.

12. The Final Approval Order, the Settlement Agreement, the Settlement which it reflects, and all acts, statements, documents, or proceedings relating to the Settlement are not, and shall not be construed as, or used as an admission by or against Defendants of any fault, wrongdoing, or liability on the part of Defendants or of the validity or certifiability for litigation of any claims.

13. The Court finds Service Awards of \$_____ per Class Representative are fair and reasonable. These amounts are to be paid out of the Settlement Fund, in accordance with the Settlement Agreement.

14. The Court hereby approves an award of attorney's fees in an amount of \$ _____ and, separately, litigation costs and expenses in an amount of \$ _____. These amounts are to be paid out of the Settlement Fund, in accordance with the Settlement Agreement. The Court finds these amounts to be fair and reasonable.

15. [The Court has considered the ___ objection[s] to the Settlement. The Court finds and concludes that the objection[s] is/are without merit, and is/are hereby overruled] **or** [There were no objections to the Settlement].

16. The above-captioned Action is hereby dismissed against Defendants in its entirety, with prejudice. Except as otherwise provided in this Final Approval Order, the Parties shall bear their own costs and attorney's fees. Without affecting the finality of the Judgment entered, the Court reserves jurisdiction over the implementation of the Settlement, including enforcement and administration of the Settlement Agreement.

17. Should any non-distributable residual of the Settlement Fund remain following distribution of the Settlement benefits, the Court hereby approves the distribution of 100% of any such residue from the Settlement Fund to the Electronic Frontier Foundation, a 26 U.S.C. § 501(c)(3) nonprofit organization focused on digital privacy and defending digital civil liberties.
