If you purchased any PVC Pipe or PVC Fittings, an antitrust settlement may affect you.

Philadelphia, December __, 2026 /PRNewswire/ -- The following statement is being issued by Kroll Settlement Administration LLC regarding *In re PVC Pipe Antitrust Litigation*.

Two new settlements have been reached in a class action lawsuit called *In re PVC Pipe Antitrust Litigation*, No. 1:24-cv-07639 (the "Action"), which was filed on behalf of Non-Converter Seller Purchasers ("NCSPs") of PVC Pipe and PVC Fittings ("PVC Pipe Systems") and is pending in the United States District Court for the Northern District of Illinois (the "Court"). First, NCSPs have reached a settlement with Defendants Westlake Corporation and Westlake Pipe & Fittings Corporation (hereinafter, "Westlake Defendants"). Second, NCSPs have reached a settlement with Defendant Pipelife Jet Stream, Inc. ("Defendant Pipelife," and collectively with Westlake Defendants, "Settling Defendants"). These Settlements apply only to Settling Defendants and do not dismiss claims against other Defendants in the Action. NCSPs allege that Settling Defendants and their co-conspirators conspired and combined to fix, raise, maintain, and stabilize the price of PVC Pipe Systems from January 1, 2020, through at least May 13, 2026, with the intent and expected result of increasing prices of PVC Pipe Systems sold in the United States and its territories, in violation of federal antitrust laws and various state antitrust and consumer protection laws.
