OUT-OF-POCKET LOSSES

The Settlement provides reimbursement for out-of-pocket losses incurred on or after March 2, 2023 as a result of the Data Incident, up to a maximum reimbursement of \$2,000. Examples of losses or expenses that can be reimbursed include, but are not limited to, money spent for credit monitoring services, to hire professional services to remedy identity theft, to freeze your credit, or to remedy a falsified tax return or inaccurate entries on your credit report. To obtain reimbursement, you must provide a brief description of what the losses or expenses were for, and provide supporting third-party documentation, such as receipts, bank statements, or reports.

Did you suffer any financial expenses or losses that you believe were incurred as a result of the Data Incident? (select one)

Yes No

If you selected no, please proceed to the end of this claim form to provide a date and signature.

If you selected yes, for each loss or expense that you believe you incurred as a result of the Data Incident, please provide a short description of the loss, the date of the loss, and the type of documentation you will be submitting to support the loss. You must provide ALL of this information for this Claim to be processed. **Supporting documents must also be submitted with this Claim Form.** “Self-prepared” documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation. Please provide only copies of your supporting documents and keep all originals for your personal files.
