# Pro Rata Adjustments

Settlement Class Cash Payments and California Statutory Awards will be subject to a *pro rata* increase from the Net Settlement Fund in the event the amount of Valid Claims is insufficient to exhaust the entire Net Settlement Fund. Similarly, in the event the amount of Valid Claims exhausts the amount of the Net Settlement Fund, the amount of the Cash Payments and California Statutory Awards may be reduced *pro rata* accordingly. For purposes of calculating the pro rata increase or decrease, the Settlement Administrator must distribute the funds in the Net Settlement Fund first for payment of Credit Monitoring and then for Cash Payments and California Statutory Awards. Any *pro rata* increases or decreases to Cash Payments and California Statutory Awards will be on an equal percentage basis. In the unexpected event the value of Credit Monitoring on its own exhausts the amount of the Net Settlement Fund, the length of the Credit Monitoring provided will be reduced as necessary to bring the cost within the Net Settlement Fund.

#### IV. CASH PAYMENT A

# DO NOT COMPLETE THIS SECTION IF YOU WANT TO SELECT THE CASH PAYMENT B OPTION OF \$150 BELOW.

#### COMPENSATION FOR ORDINARY LOSSES

Settlement Class Members not selecting the flat Cash Payment B option of \$150 may claim up to \$2,000 by submitting a valid and timely Claim Form and reasonable supporting documentation for ordinary losses fairly traceable to the Data Incident that occurred between May 30, 2023, and the date of the Claim Form Deadline. This documentation may include receipts or other documentation not "self-prepared" by the claimant that documents the costs incurred. "Self-prepared" documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but can be considered to add clarity or support other submitted documentation. Ordinary losses can arise from the following categories:

- (i) Out of pocket expenses incurred as a result of the Data Incident, including bank fees, long distance phone charges, cell phone charges (only if charged by the minute), data charges (only if charged based on the amount of data used), postage, or gasoline for local travel; and
- (ii) Fees for credit reports, credit monitoring, or other identity theft insurance product purchased between May 30, 2023, and the date of the Claim Form Deadline that the claimant attests he/she incurred as a result of the Data Incident.

#### You must submit documentation to obtain this reimbursement.
