		03/19/2025	Order [non-document] The Court has reviewed the Plaintiffs' Supplemental Memorandum in Support of Preliminary Approval of Class Action Settlement (Doc. No. 22 .) Based on the information provided therein and upon careful review, the Court is satisfied that, at the time the case was filed, Plaintiffs believed in good faith that they valued each claim at an amount sufficient to satisfy CAFA's jurisdictional amount and that therefore, the Court has subject matter jurisdiction over the instant action. The Court additionally finds the proposed revisions in the Supplemental Memorandum well-taken. Accordingly, to reflect those revisions, by no later than seven (7) days from the date of this Order, the Parties are hereby ordered to file the following: (1) A renewed Unopposed Motion for Preliminary Approval of Class Action Settlement and Notice Plan; (2) A redline-free, revised Proposed Order
