A Settlement has been proposed in a class action lawsuit against CBIZ, Inc. ("Defendant" or "CBIZ"). The Settlement resolves claims brought by individuals impacted by the MOVEit Data Breach, to the extent it impacted CBIZ, which occurred in May 2023 and resulted in the potential compromise of individuals' personally identifiable information ("PII") and/or protected health information ("PHI") provided to CBIZ. Defendant denies any allegation of wrongdoing.

Who's Included? You are included in the Settlement as a "Settlement Class Member" because you have been identified as a person in the United States or who resided on a United States military installation outside of the United States and who was previously provided with notice by CBIZ that your PII and/or PHI may have been accessed or exposed as a result of CBIZ's use of MOVEit, a file transfer tool, during the MOVEit Data Breach.

What does the Settlement provide? Under the Settlement, CBIZ will pay $7,200,000.00 into a Settlement Fund which will be used to pay all valid claims made by Settlement Class Members, notice and administration costs, service awards, and attorneys' fees and costs. Settlement Class Members may file a claim to receive **either:** (1) reimbursement of ordinary losses up to $2,500 and reimbursement of extraordinary losses up to $10,000; **or** (2) an alternative cash payment of $100 (subject to *pro rata* reduction or increase based on total claim submission). All Settlement Class Members may also file a claim to receive two (2) years of credit monitoring and identity theft monitoring.

How do I get a Payment? You must complete and submit a Claim Form by [**Month XX, XXXX**]. Claim Forms may also be submitted online at [insert website] or printed from the website and mailed to the address on the form.

What are my other options? If you do nothing, your rights will be affected, and you won't get a payment. If you don't want to be legally bound by the Settlement, you must exclude yourself from it by [**Month XX, XXXX**]. Unless you exclude yourself, you won't be able to sue or continue to sue CBIZ or other released parties as defined in the Settlement Agreement for any claim made in this lawsuit or released by the Settlement Agreement. If you stay in the Settlement (*i.e.*, don't exclude yourself), you may object to it or ask for permission for you or your lawyer to appear and speak at the hearing—at your own cost—but you don't have to. Objections and requests to appear are due by [**Month XX, XXXX**]. More information about these options is available at [insert website].

The Court's hearing. The Court will hold a Final Approval Hearing in the case (*In re MOVEit Customer Data Sec. Breach Litig.*, MDL No. 1:23-md-03083-ABD (D. Mass.) (CBIZ Action)) on [Month XX, XXXX]. At the hearing, the Court will decide whether to approve the Settlement; Class Counsel's request for attorneys' fees and costs, and service awards to the Settlement Class Representatives (up to $2,500.00). You or your lawyer may appear at the hearing at your own expense.

Questions? This Notice provides only a high-level summary of the Settlement. More detail, including the Settlement Agreement, is provided at [insert website] or you can call the Settlement Administrator at [phone number].
