

Exhibit D

What is this lawsuit about? Tiffany Lewis filed a class action lawsuit against Register.com, Inc. (“Register.com”) alleging that Register.com violated the Telephone Consumer Protection Act (“TCPA”) by placing certain calls to cellular telephone numbers in connection with which Register.com used an artificial or prerecorded voice absent prior express consent. Register.com denies Ms. Lewis’s allegations, and denies it violated the TCPA. The court has not decided who is right or wrong. The parties have agreed to a settlement. Please note that since the filing of this lawsuit, Register.com, Inc. merged with Network Solutions, LLC, and Network Solutions, LLC is the surviving entity.

Why did you receive this notice? You received this notice because Register.com’s records identified you as a potential member of the following settlement class: “All persons and entities throughout the United States (1) to whom Register.com, Inc. placed a call, (2) directed to a telephone number assigned to a cellular telephone service, (3) in connection with which Register.com, Inc. used an artificial or prerecorded voice, (4) from February 12, 2021 through November 24, 2025, and (5) after the cellular telephone number was permanently disconnected and made available for reassignment per the Federal Communications Commission’s Reassigned Numbers Database.”

What does the settlement provide? Register.com/Network Solutions, LLC will establish a settlement fund of \$1,500,000. Out of the settlement fund will be paid: (1) settlement compensation to participating, approved settlement class members; (2) an award of attorneys’ fees not to exceed one-third of the settlement fund, subject to the court’s approval; (3) litigation costs and expenses incurred in litigating the claims in this matter not to exceed \$25,000, subject to the court’s approval; (4) an incentive award to Ms. Lewis not to exceed \$10,000, subject to the court’s approval, and (5) costs of notice and claims administration. The settlement provides for more than \$3,300 per potentially affected cellular telephone number. The actual amount each participating, approved member of the settlement class will receive depends on the number of settlement class members who submit approved claims.

What are your legal rights and options? If you fall within the settlement class, you have four options. First, you may timely complete and return the claim form found on the backside of this postcard, or timely submit a claim online at www.registerTCPAsettlement.com. Settlement class members who submit approved claims will receive a proportionate share of the settlement fund after deducting attorneys’ fees, costs, expenses, and an incentive award, and will release certain TCPA claims they may have against Register.com/Network Solutions, LLC. Second, you may do nothing, in which case you will not receive a share of the settlement fund, but you will release certain TCPA claims you may have against Register.com/Network Solutions, LLC. Third, you may exclude yourself from the settlement, in which case you will neither receive a share of the settlement fund, nor release any TCPA claims you may have against Register.com/Network Solutions, LLC. Or fourth, you may object to the settlement. The deadline for you to submit a claim, exclusion request, or objection is [date]. To obtain additional information about your legal rights and options, or to access the full class notice, motions for approval, motion for attorneys’ fees, and other important documents, visit www.registerTCPAsettlement.com, or contact the settlement administrator by writing to *Lewis v. Register.com, Inc.* Settlement Administrator, [address], [city], [state] [zip code], or by calling [telephone number].

When is the final fairness hearing? The court will hold a final fairness hearing on [date] at [time]. The hearing will take place [by Zoom / in person]. At the final fairness hearing, the court will consider whether the settlement is fair, reasonable, and adequate and, if so, whether final approval of the settlement should be granted. The court will also hear objections to the settlement, if any. The court may make a decision at that time, postpone a decision, or continue the hearing.
