Case No. 1:22-cv-08228-JSR

CLASS ACTION

STIPULATION AND AGREEMENT OF SETTLEMENT AND RELEASE

This Stipulation and Agreement of Settlement, dated January 16, 2024 (the “Stipulation”), is made and entered into by and among: (i) Steamship Trade Association of Baltimore – International Longshoremen’s Association Pension Fund (“STA-ILA” or “Class Representative”), on behalf of itself and each Class Member, by and through Class Counsel; and (ii) Olo Inc. (“Olo” or the “Company”), Noah H. Glass (“Glass”), and Peter J. Benevides (“Benevides,” and with Glass, the “Individual Defendants,” and Olo, Glass, and Benevides, collectively, the “Defendants”), by and through Defendants’ Counsel. Class Representative and Defendants are referred to herein as the “Settling Parties.” The Stipulation is intended to fully, finally, and forever resolve, discharge, and settle the Released Claims, subject to the approval of the Court and the terms and conditions set forth in this Stipulation.

WHEREAS, Class Representative, on behalf of itself and others similarly situated, filed the above-captioned action (the “Action”) as a putative class action in the United States District Court for the Southern District of New York against Olo, Glass, and Benevides.

WHEREAS, Defendants deny all allegations of wrongdoing and have asserted defenses to Class Representative’s claims.

WHEREAS, following good faith, arm’s length mediations, conducted by Robert A. Meyer, Esq. (“Meyer” or the “Mediator”), Class Representative and Defendants (collectively, the “Parties”), by and through their undersigned counsel, have reached an agreement for the settlement and dismissal with prejudice of the Action on the terms and conditions set forth herein.

WHEREAS, notwithstanding the belief that the claims asserted in the Action have merit,

Class Representative and Scott+Scott Attorneys at Law LLP (“Scott+Scott” or “Class Counsel”) recognize and acknowledge the expense, uncertain outcome, and length of continued proceedings necessary to prosecute the Action against Defendants through summary judgment, trial, post-trial motions, and appeals, and having conducted an extensive investigation and review of publicly available documents and documents produced by Defendants and from third-parties, and in consideration of the potential damages in this Action, believe that the Settlement (as defined below) set forth in this Stipulation confers substantial benefits upon the Class and is in the best interest of the Class.

WHEREAS, despite maintaining that they are not liable for the claims asserted herein and having meritorious defenses thereto, Defendants have determined to enter into this Settlement, among other reasons, to avoid further expense, inconvenience, and the burden of protracted litigation, to avoid the distraction and diversion of their personnel and resources, to avoid the risk of litigation, and to obtain a full release of all claims and potential claims from the Class Members (as defined below).

WHEREAS, Class Representative and Class Counsel consider the terms of the Settlement set forth herein to be fair, reasonable, adequate, and in the best interests of the Class.

NOW, THEREFORE, in consideration of the foregoing promises, and for good and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. The Action.

On September 26, 2022, Pompano Beach Police and Firefighters’ Retirement System filed a putative class action complaint in the United States District Court for the Southern District of New York against Olo, Glass, Olo’s founder and Chief Executive Officer (“CEO”), and Benevides, Olo’s Chief Financial Officer (“CFO”). ECF No. 1. The lawsuit was brought on behalf of persons and entities that purchased Olo’s Class A common stock (“Olo’s common stock”) between August 11, 2021 and August 11, 2022, inclusive, and alleged violations of Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 (the “Exchange Act”). On December 21, 2022, STA-ILA was appointed as Lead Plaintiff and its counsel, Scott+Scott, was appointed as Lead Counsel. ECF No. 30.

On January 13, 2023, STA-ILA filed the Amended Class Action Complaint for Violations of Federal Securities Laws (the “FAC”) on behalf of all persons and entities that purchased shares of Olo’s common stock between August 10, 2021 and August 11, 2022, inclusive, alleging that Defendants made materially false and misleading statements relating to, among other things, “active locations,” one of Olo’s key business metrics, and made materially false and misleading statements and/or material omissions with respect to Olo’s relationship with Subway restaurants (“Subway”). ECF No. 38. On February 3, 2023, Defendants moved to dismiss the FAC, ECF No. 39, which STA-ILA opposed on February 24, 2023, ECF No. 44, and on March 3, 2023, Defendants filed a reply in support of their motion, ECF No. 45. On March 28, 2023, the Court heard oral arguments on Defendants’ motion to dismiss the FAC.

On April 10, 2023, the Court issued a “bottom-line” order denying Defendants’ motion to dismiss the FAC. ECF No. 50. Thereafter, the Parties engaged in discovery, including the production of 338 documents by STA-ILA (roughly 11,000 pages), approximately 75,000 documents by Defendants (roughly 435,000 pages), and over 25,200 documents by eight third-parties (roughly 83,000 pages), as well as depositions of the Individual Defendants, nine additional current and former Olo employees, two representatives of STA-ILA, a deposition of a representative of STA-ILA’s investment manager, two depositions of STA-ILA’s market efficiency/damages expert, a deposition of Defendants’ loss causation and damages expert, and a deposition of Defendants’ investments expert. In total, the Parties took 18 depositions in the Action in seven months. The Parties also filed or exchanged eight expert reports on market efficiency, loss causation, damages, trends in the enterprise restaurant market, and information available to Olo’s investors.

On June 5, 2023, STA-ILA filed a motion for class certification. ECF No. 57. On June 26, 2023, Defendants filed their opposition to STA-ILA’s motion, ECF No. 64, and on July 17, 2023, STA-ILA filed a reply in support of its motion, ECF No. 69.

On July 6, 2023, the Parties held an in-person mediation session with Robert Meyer of JAMS in Los Angeles, California. Though the Parties did not reach an agreement to settle the Action at that mediation session, they continued their negotiations through the Mediator.

On July 25, 2023, the Court issued a full order on Defendants’ motion to dismiss the FAC, reconfirming its April 10, 2023 bottom-line order, while dismissing the FAC’s Subway allegations and sustaining the FAC’s active locations allegations against all Defendants. ECF No. 71.

On August 9, 2023, STA-ILA filed the Second Amended Class Action Complaint for Violations of Federal Securities Laws (“SAC”) on behalf of itself and all persons and entities that purchased shares of Olo’s common stock between March 17, 2021 and August 11, 2022, inclusive, a Class Period that encompassed Olo’s initial public offering (“IPO”). ECF No. 72. The SAC realleged the FAC’s two principal allegations – (i) the prior, sustained active locations allegations and (ii) the dismissed Subway allegations, repleaded as a theory predicated on Defendants’ issuance of a risk disclosure that STA-ILA alleged had already come to pass – and added two new categories of allegations: (iii) that Defendants materially misled investors about Olo’s likelihood of success in the enterprise market, particularly in light of what STA-ILA alleged as the then-allegedly existing trend of large restaurants opting to build their own software in-house, and (iv) that Defendants materially misled investors about the Company’s financial position and prospects.

On August 24, 2023, Defendants moved to dismiss the SAC, ECF No. 74, which STA-ILA opposed on September 7, 2023, ECF No. 79, and on September 14, 2023, Defendants filed a reply in support of their motion, ECF No. 83. On September 20, 2023, the Court heard oral arguments on Defendants’ motion to dismiss the SAC. On September 26, 2023, the Court issued a “bottom-line” order sustaining the SAC’s active locations allegations and dismissing the re-pled Subway allegations, as well as the newly-pled allegations about Olo’s prospects in the enterprise market and financial prospects. ECF No. 84. The Court also dismissed the remaining §10(b) claim against Benevides, while sustaining the surviving active locations allegations against the Company and Glass.

On October 6, 2023, STA-ILA filed an amended class certification motion, ECF No. 90, which Defendants opposed on October 13, 2023, ECF No. 94, and STA-ILA filed a reply in support of on October 20, 2023, ECF No. 95. On October 27, 2023, the Court heard oral arguments on STA-ILA's class certification motion. On October 30, 2023, the Court issued an order directing the Parties to brief the issue of whether STA-ILA's market efficiency/damages expert would be able to disaggregate the dismissed Subway allegations from a class-wide damages calculation. ECF No. 98. On November 13, 2023, STA-ILA's market efficiency/damages expert filed a report in further support of class certification, demonstrating his methodology for how to calculate damages on a class-wide basis that disaggregated the drop in Olo's common stock price attributable to the Subway-specific portion of the August 11, 2022 disclosure that STA-ILA had alleged constituted a corrective disclosure and/or materialization of an undisclosed risk. ECF No. 102-1. On November 20, 2023, Defendants filed a supplemental brief in further opposition to STA-ILA's motion for class certification, ECF No. 103, and on November 27, 2023, STA-ILA filed a supplemental reply in further support of its motion, ECF No. 104.

On December 1, 2023, the Court issued a full order on Defendants' motion to dismiss the SAC, confirming its September 26, 2023 ruling. ECF No. 105. That same day, the Court issued a "bottom-line" order certifying the Class and appointing STA-ILA as Class Representative and Scott+Scott as Class Counsel. ECF No. 106.

On Friday, December 15, 2023, the Mediator issued a "mediator's proposal" to settle the Action for \$9,000,000, which the Parties thereafter accepted.

2. No Admission.

Throughout this Action, Defendants have denied, and continue to deny, any and all allegations of fault, liability, wrongdoing, or damages whatsoever. Defendants have expressly denied, and continue to deny, that they have committed any act or omission giving rise to any liability under Sections 10(b) or 20(a) of the Exchange Act. Specifically, Defendants expressly have denied, and continue to deny, each and all of the claims alleged by Class Representative in the Action, including, without limitation, any liability arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged, in the Action. Defendants also have denied, and continue to deny, among other allegations, the allegations that Class Representative or the Class Members have suffered any damages, that Defendants made any material misrepresentations or omissions, or that Class Representative or the Class Members were harmed by the conduct alleged in the Action or that could have been alleged as part of the Action. In addition, Defendants maintain that they have meritorious defenses to all claims alleged in the Action.

The Parties agree that the proposed Settlement is a compromise of disputed claims and in no way represents, and may not be construed as, an admission of liability or an admission against interest or an admission of any wrongdoing whatsoever by any of the Defendants. The Settlement shall not be construed as, or received in evidence as, an admission, concession, or presumption against the Class Representative or any of the Class Members that any of their claims are without merit, or that any defenses asserted by the Defendants have any merit, or that damages recoverable

in the Action would not have exceeded the Settlement Fund. The Settlement and all negotiations, discussions, and proceedings in connection with the Settlement shall not create an inference of wrongdoing, and are inadmissible for any purpose other than the enforcement of the terms of this Settlement.

- f. Other than the obligation of Defendants and/or their insurers to cause payment of the Settlement Amount pursuant to Paragraph 5.a, Defendants and/or their insurers shall have no obligation to make any other payments to the Settlement Account, to any Class Member, or to Class Counsel pursuant to this Stipulation.

A Request for Exclusion must be signed by the Class Member and must comply with the other requirements set forth in the Notice and Preliminary Approval Order.

8. Termination.

- a. As further delineated in the Confidential Addendum attached hereto (which shall be submitted to the Court under seal upon request), Defendants shall have the right to terminate the Stipulation if the Eligible Persons who opt out of the Class, pursuant to, and in accordance with, the exclusion procedure and deadline set by the Court, hold a percentage of shares eligible to participate in the Class that exceeds the amount set forth in the Confidential Addendum.
- b. Defendants and Class Representative, through their respective counsel, shall each have the right to terminate the Settlement and this Stipulation by providing written notice of their election to do so (“Termination Notice”) to all other parties hereto within thirty (30) days of: (a) the Court’s final non-appealable refusal to enter the Preliminary Approval Order in any material respect; (b) the Court’s final non-appealable refusal to approve this Stipulation or any material part of it; (c) the Court’s final non-appealable refusal to enter the Judgment in any material respect; or (d) the date upon which the Judgment is finally modified or reversed in any material respect by an appellate court. Any orders with respect to the request for Attorneys’ Fees and Expenses or to the Plan of Allocation shall not be a ground for termination of the Settlement, or for the Settlement not becoming final.

9. Effect of Termination or Failure to Obtain Approval.

If this Stipulation, inclusive of releases applying to shareholders worldwide, does not obtain final approval or is terminated pursuant to Paragraph 8 and the Confidential Addendum, the Parties shall be deemed to have reverted *nunc pro tunc* to their respective status as of December

18, 2023, and the Action shall proceed in all respects as if this Stipulation and related orders had not been executed and without prejudice in any way from the negotiation, terms, or existence of this Settlement. Further, in that event:

- a. This Settlement and all of the negotiations, discussions, and statements with respect hereto, shall be inadmissible in the Action for all purposes and shall not entitle any party to recover costs incurred in connection with the implementation of this Settlement.
 - b. All Parties reserve and have not waived any rights or arguments by entering into this Stipulation, including any arguments and/or defenses with respect to liability.
 - c. Within fourteen (14) business days after written notification of such event is sent by counsel for any of the Defendants or Class Counsel to the Escrow Agent, the Settlement Fund (including accrued interest) less expenses paid, incurred, or due and owing consistent with this Stipulation or court order, including those incurred providing notice to the Class, locating Class Members, soliciting claims, assisting with the filing of claims, administering and distributing the Net Settlement Fund to Authorized Claimants, processing Proofs of Claim, escrow fees and costs, if any, and all Taxes and Tax Expenses, provided for herein, shall be refunded by the Escrow Agent to the persons who contributed to the Settlement Fund pursuant to written instructions from Defendants' Counsel. For the avoidance of doubt: any expenses already incurred consistent with the Stipulation or court order at the time of such termination or cancellation but which have not been paid, shall be paid by the Escrow Agent in accordance with the terms of the Stipulation or order prior to the balance being refunded; and neither Class Representative nor Class Counsel shall have any obligation to repay any amounts that have been or will be actually and properly disbursed pursuant to the Stipulation or court order. In addition, the Escrow Agent or its designee shall apply for any tax refund owed on the Settlement Fund and pay the proceeds, after deduction of any fees or expenses incurred in connection with such application(s) for refund, to the same persons who contributed to the Settlement Fund pursuant to written instructions from Defendants' Counsel.
 - d. The Stipulation and any subsequent Settlement documents shall be null and void and inadmissible in any proceeding before any court or tribunal (except to the extent required to enforce the refund provisions of Paragraph 9.c).
10. Administration and Calculation of Claims; Supervision and Distribution of the Net Settlement Fund.
- a. The Claims Administrator, subject to such supervision and direction of the Court, as may be necessary or as circumstances may require, shall

administer and calculate the claims submitted by Class Members and shall oversee distribution of the Net Settlement Fund to Authorized Claimants. The Settlement Fund shall be applied as follows:

- i. to pay all the costs and expenses reasonably and actually incurred in connection with providing notice, locating Class Members, soliciting Class claims, assisting with the filing of claims, administering and distributing the Net Settlement Fund to Authorized Claimants, processing Proofs of Claim, and paying escrow fees and costs, if any (“Notice and Administration Expenses”);
 - ii. to pay the Taxes and Tax Expenses described in Paragraph 14 below;
 - iii. to pay the Fee and Expense Award, if and to the extent allowed by the Court; and
 - iv. to distribute the balance of the Settlement Fund, *i.e.*, the Net Settlement Fund, to Authorized Claimants as allowed by the Stipulation, the Plan of Allocation, or the Court.
- b. Upon the Effective Date and thereafter, and in accordance with the terms of the Stipulation including this Paragraph 10, the Plan of Allocation, or such further approval and further order(s) of the Court as may be necessary or as circumstances may require, the Net Settlement Fund shall be distributed to Authorized Claimants.
- c. By the date set forth in the Notice or such other time as may be set by the Court, each Class Member shall be required to submit to the Claims Administrator a completed Proof of Claim, substantially in the form and content of **Exhibit A-2** hereto, with such documentation as required therein, and signed under penalty of perjury.
- d. Each Proof of Claim shall be reviewed by the Claims Administrator, under the supervision of Class Counsel, and the Claims Administrator shall determine in accordance with this Stipulation and the approved Plan of Allocation, the extent, if any, to which each claim shall be allowed, subject to review by the Court.
- e. Proofs of Claim that do not meet the submission requirement may be rejected. Prior to rejecting a Proof of Claim, in whole or in part, the Claims Administrator shall communicate with the Claimant to give the claimant the chance to remedy any curable deficiencies in the Proof of Claim submitted. The Claims Administrator shall notify in a timely fashion all Claimants whose claims it proposes to reject in whole or in part for curable

deficiencies, setting forth the reasons therefor, and shall indicate in such notice that the Claimant has the right to a review by the Court if the Claimant so desires and complies with any applicable requirements, including those set forth in the next paragraph.

- f. If any Claimant whose timely claim has been rejected in whole or in part for a curable deficiency desires to contest such rejection, the Claimant must, within twenty (20) calendar days of being given notice of such rejection, serve upon the Claims Administrator a statement of reasons indicating the Claimant's grounds for contesting the rejection along with supporting documentation. If a dispute concerning a claim cannot be otherwise resolved, Class Counsel shall thereafter present the Claimant's request for review to the Court.
- g. Except as otherwise ordered by the Court, all Class Members who fail to timely submit a Proof of Claim within the time set forth in the Notice, or such other period as may be ordered by the Court, shall be forever barred from receiving any payments pursuant to this Stipulation and the Settlement set forth herein, but will in all other respects be subject to and bound by the provisions of this Stipulation, the releases contained herein, and the Judgment. Notwithstanding the foregoing, Class Counsel may, in its discretion, accept for processing late filed claims so long as the distribution of the Net Settlement Fund to Authorized Claimants is not materially delayed. Class Counsel shall have no liability for not accepting late claims. Any Class Member who fails to submit a Proof of Claim by the date approved by the Court shall be forever barred from receiving any payment pursuant to the Settlement (unless, by order of the Court, a later submitted Proof of Claim by such Class Member is approved), but shall in all other respects be bound by all of the terms of the Settlement as set forth herein, including the terms of the Final Judgment and the release and covenant not to sue, and will be barred from bringing any action against the Released Parties, as set forth in Paragraph 4. Further, each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the Claimant's claim.
- h. Each Claimant who declines to be excluded from the Class shall be deemed to have submitted to the jurisdiction of the Court with respect to the Claimant's claim, including, but not limited to, all releases provided for herein and in the Judgment, and the claim will be subject to investigation and discovery under the Federal Rules of Civil Procedure, provided that such investigation and discovery shall be limited to the Claimant's status as a Class Member and the validity and amount of the Claimant's claim. In connection with processing the Proof of Claim and Releases, no discovery shall be allowed on the merits of the Litigation or the Settlement. All proceedings with respect to the administration, processing, and determination of Claims and the determination of all controversies relating

thereto, including disputed questions of law and fact with respect to the validity of claims, shall be subject to the jurisdiction of the Court, but shall not in any event delay or affect the finality of the Judgment. All Class Members, other Claimants, and the Settling Parties expressly waive trial by jury (to the extent any such right may exist) and any right of appeal or review with respect to such determinations.

- i. Payment pursuant to the Settlement shall be deemed final and conclusive against all Class Members, and shall be conditioned upon filing an appropriate Proof of Claim, as set forth herein, including execution of the release and covenant not to sue. All Class Members whose claims are not approved by the Court shall be barred from participating in distributions from the Net Settlement Fund, but otherwise shall be bound by all of the terms of this Settlement as set forth herein, including the terms of the Final Judgment and the release and covenant not to sue and will be barred from bringing any action against Defendants as provided for in Paragraph 4.
- j. The Claims Administrator shall calculate the claims of Authorized Claimants, determine the extent to which claims shall be allowed, and oversee distribution of the Net Settlement Fund in accordance with the Plan of Allocation approved by the Court, subject to appeal to, and jurisdiction of, the Court.
- k. Each Authorized Claimant shall be allocated a *pro rata* share of the Net Settlement Fund based on his, her, or its claim to the extent allowed by the Settlement Administrator, subject to the terms and conditions herein (a “Recognized Claim”), compared to the total Recognized Claims of all accepted claimants. The Released Parties shall have no involvement in reviewing, evaluating, or challenging claims or the allocation of the Net Settlement Fund to Authorized Claimants.
- l. Except for Defendants’ obligation to pay or cause payment of the Settlement Amount, and to produce the information required under Paragraph 6.b herein, the Defendants shall have no responsibility for, involvement in, or liability whatsoever with respect to providing notice to the Class, the investment or distribution of the Net Settlement Fund or the Plan of Allocation, the determination, administration, or calculation of claims, the payment or withholding of Taxes or Tax Expenses, any losses suffered by, or fluctuations in value of, the Settlement Fund, or any other losses incurred in connection therewith. No Person shall have any claim of any kind against the Defendants with respect to the matters set forth in Paragraph 10 hereof.
- m. In addition to Paragraph 12 hereof, no Person shall have any claim against Class Representative, Class Counsel, the Claims Administrator, any other Person designated by Class Counsel based on distributions of the Settlement Fund made substantially in accordance with this Stipulation and the

Settlement contained herein, the Plan of Allocation, or further order(s) of the Court; and no Person shall have any Claims against Defendants or the Released Defendant Parties based on distributions of the Settlement Fund, whether or not made substantially in accordance with this Stipulation and the Settlement contained herein, the Plan of Allocation, or further order(s) of the Court.

- n. Following the Effective Date, Defendants and/or their insurers shall not have a reversionary interest in the Settlement Fund, nor is this a claims-made settlement.
- o. To the extent that the Claims Administrator receives disbursements from the Settlement Fund to cover anticipated fees or expenses in connection with administering the notice, claims, or Settlement processes, and the Claims Administrator does not ultimately have to use any or all of those disbursements to cover the actual fees or expenses incurred, then the Claims Administrator shall return the unused balance of those disbursements back to the Net Settlement Fund.
- p. The Net Settlement Fund shall be distributed to Authorized Claimants substantially in accordance with the Plan of Allocation set forth in the Notice and approved by the Court. If there is any balance remaining in the Net Settlement Fund after three (3) months from the initial date of distribution of the Net Settlement Fund (whether by reason of tax refunds, uncashed checks or otherwise), Class Counsel shall, if feasible, reallocate such balance among Authorized Claimants in an equitable and economic fashion. These redistributions shall be repeated until the balance remaining in the Net Settlement Fund is *de minimis* and no longer economically feasible to distribute to Class Members. Thereafter, any balance which still remains in the Net Settlement Fund shall be donated to Legal Services NYC.
- q. Class Counsel will apply to the Court for an order (the “Class Distribution Order”) approving the Claims Administrator’s administrative determinations concerning the acceptance and rejection of the claims submitted herein, determining any Claimant’s claim who has requested Court review or his, her, or its claim, and approving any fees and expenses not previously paid to the Claims Administrator, and, if the Effective Date has occurred, directing payment of the Net Settlement Fund to Authorized Claimants. No distributions shall be made until the Class Distribution Order is entered by the Court.
- r. It is understood and agreed by the Settling Parties that any proposed Plan of Allocation of the Net Settlement Fund, including, but not limited to, any adjustments to an Authorized Claimant’s claim set forth therein, is not a part of the Stipulation and is to be considered by the Court separately from the Court’s consideration of the fairness, reasonableness, and adequacy of the

Settlement set forth in the Stipulation. Any order or proceeding relating to the Plan of Allocation shall not operate to terminate or cancel the Stipulation or affect the finality of the Court's Judgment approving the Stipulation and the Settlement set forth therein, or any other orders entered pursuant to the Stipulation.

- s. The provisions of the Agreement regarding the administration of the Settlement Fund and distribution of the Net Settlement Fund to Authorized Claimants may be modified or adjusted as ordered or required by the Court for efficient claims administration.

11. Attorneys' Fees and Costs.

- a. Class Counsel may submit an application or applications (the "Fee and Expense Application") for distributions to it from the Settlement Fund for: (a) an award of attorneys' fees and litigation expenses incurred in connection with prosecuting the Action, plus any interest on such attorneys' fees, costs, and expenses at the same rate and for the same periods as earned by the Settlement Fund (until paid) as may be awarded by the Court; and (b) an amount pursuant to 15 U.S.C. §77z-1(a)(4) in connection with Class Representative's representation of the Class (the "Fee and Expense Award"). Class Counsel reserves the right to make additional applications for fees and expenses incurred.
- b. Unless requested by the Court, Defendants shall take no position on any application by Class Counsel for an award of attorneys' fees, costs, or expenses in connection with this Settlement. Attorneys' fees, costs, and/or expenses awarded to Class Counsel (including taxes thereon, as applicable) shall be paid solely out of, and shall not be in addition to, the Settlement Fund.
- c. The amount of the Fee and Expense Award awarded by the Court is within the discretion of the Court. Any Fee and Expense Award awarded by the Court shall be payable to Class Counsel from the Settlement Fund, as ordered, immediately after the Court executes an order awarding such fees and expenses notwithstanding any objection or appeal thereto. This is subject to the joint and several obligation of all counsel and Class Representative who receive any award of attorneys' fees, costs, and expenses to make full refunds or repayments to the Escrow Account, plus interest earned thereon, if the award is lowered or the Settlement is disapproved by a final order not subject to further review.
- d. The Settlement shall not be conditioned upon any award of attorneys' fees, costs, or expenses to Class Counsel. Any order or proceedings relating to the application for attorneys' fees, costs, and/or expenses, any appeal from any order relating thereto or reversal or modification thereof, or any award

that is less than Class Counsel requested, shall not operate to terminate or cancel the Settlement, or affect or delay the finality of the Final Judgment approving the Settlement.

12. Liability. Neither the Parties nor their counsel shall have any liability for: (i) any act, omission, or determination of the Escrow Agent or the Claims Administrator, or any of their respective designees or agents, in connection with the administration of the Settlement Fund, the payment or withholding of any Taxes, Tax Expenses, and/or costs incurred in connection with the taxation of the Settlement Fund or the filing of any returns, or otherwise; or (ii) the Plan of Allocation approved by the Court.

13. Costs. Each party shall bear his, her, or its own costs, expenses, and legal fees, except as awarded to Lead Counsel from the Settlement Fund.

14. Taxes.

- a. The Settlement Fund is intended to be a Qualified Settlement Fund within the meaning of Treasury Regulation §1.468B-1. All expenses incurred by the Settlement Fund, including, without limitation, all federal, state, and local taxes (including any interest and penalties) due with respect to the income earned by the Settlement Fund, and Defendants shall have no liability or responsibility therefor, or for any of the actions in this Paragraph 14.
- b. The Escrow Agent shall timely make such elections as necessary or advisable to carry out the provisions of Paragraph 14, including the “relation-back election” (as defined in Treasury Regulation §1.468B-1) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Escrow Agent to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.
- c. For the purpose of §1.468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the “administrator” shall be the Escrow Agent. The Escrow Agent shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. §1.468B-2(k)). Such returns (as well as the election described in Paragraph 17.b hereof) shall be consistent with this Paragraph 14 and in all events shall reflect that all Taxes (including any estimated Taxes, interest, or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in Paragraph 14.d hereof.

- d. All (a) Taxes (including any estimated Taxes, interest, or penalties) arising with respect to the income earned by the Settlement Fund, including any Taxes or tax detriments that may be imposed upon the Released Parties or their counsel with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a “qualified settlement fund” for federal or state income tax purposes (“Taxes”), and (b) expenses and costs incurred in connection with the operation and implementation of this Paragraph 14 (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this Paragraph 14 (“Tax Expenses”), shall be paid out of the Settlement Fund. Further, Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall be timely paid by the Escrow Agent out of the Settlement Fund without prior order from the Court, and the Escrow Agent shall be authorized (notwithstanding anything herein to the contrary) to withhold from distribution to Authorized Claimants any funds necessary to pay such amounts, including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. §1.468B-2(l)(2)). The Settling Parties hereto agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this Paragraph 14.

15. Confidentiality.

- a. The Parties agree to keep the terms of the Stipulation confidential until they are submitted to the Court, except as necessary with third parties who are assisting in finalizing the Stipulation.
- b. Defendants and/or the Released Defendant Parties may file this Stipulation and/or the Judgment from this Action in any other action that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, statute of limitations, statute of repose, good faith settlement, judgment bar or reduction, or any theory of claim preclusion or issue preclusion or similar defense or counterclaim, or to effectuate any liability protection under any applicable insurance policy. The Settling Parties may file this Stipulation and/or the Judgment in any action that may be brought to enforce the terms of this Stipulation and/or Judgment. All Settling Parties submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement.
- c. All agreements made, and orders entered during the course of the Action relating to the confidentiality of information shall survive this Stipulation.

16. Stay of Proceedings. Pending Final Court Approval, the Parties shall not seek relief in any forum, and all proceedings in the Action or otherwise shall be stayed and suspended, except that the Parties shall take all such action and file such papers as are necessary and appropriate to effect the consummation and approval of the Settlement. Pending Final Court Approval, all Class Members shall be barred and enjoined from prosecuting any of the Releasing Class Representative's Claims against any of the Released Defendant Parties.

17. CAFA Notice. Pursuant to CAFA, no later than ten (10) calendar days after this Stipulation is filed with the Court, the Defendants shall complete service on the appropriate federal and state government officials of all notices required under the Class Action Fairness Act, 28 U.S.C. §1715, and shall thereafter notify Lead Counsel as to completion of such service.

18. Authority. Class Counsel, on behalf of the Class, is expressly authorized by Class Representative to take all appropriate action required or permitted to be taken by the Class pursuant to this Stipulation to effectuate its terms, and also is expressly authorized to enter into any modifications or amendments to this Stipulation on behalf of the Class which it deems appropriate. Each counsel or other Person executing this Stipulation, its Exhibits, the Confidential Addendum, or any related Settlement document, on behalf of any party hereto hereby warrants that such Person has the full authority to do so, and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms, without requiring additional consent, approval, or authorization of any other Person, board, entity, tribunal, or other regulatory or governmental authority.

19. No Privilege Waiver. Nothing in the Stipulation, or the negotiations relating thereto, is intended to, or shall be deemed to, constitute a waiver of any applicable privilege or immunity, including, without limitation, attorney-client privilege, joint defense privilege, or work product protection.

20. No Disparagement. While maintaining their position that the claims asserted in the Action are meritorious, Class Representative and Class Counsel shall not make any public statement or statements (whether or not for attribution) that disparage the business, conduct, or reputation of any Defendants or Defendants' Counsel or that describe or characterize the discovery record in the Action more generally in a way that suggests that Class Representative would have prevailed at trial.

21. Governing Law. This Stipulation shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to New York's conflict of law rules. All disputes regarding the existence, validity, or enforceability of this Stipulation shall be filed in the United States District Court for the Southern District of New York. If any disputes arise out of the finalization of the settlement documentation or the Settlement itself prior to submission to the Court of the application for preliminary approval of the Settlement, those disputes will be resolved by the Mediator first by way of expedited telephonic mediation and, if unsuccessful, then by final, binding, non-appealable resolution by the Mediator, with the fees and expenses of the Mediator to be divided equally between Class Representative, on the one hand, and Defendants, on the other.

22. Notice. When this Stipulation requires or contemplates that one party shall give notice to another, notice shall be provided by e-mail and next-day (excluding weekends) express delivery service as follows:

24. No Party Is the Drafter. None of the Parties hereto shall be considered to be the drafter of this Stipulation or any provision hereof for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter hereof. All Parties agree that this Stipulation was drafted at arm's length, and that no parol or other evidence may be offered to explain, construe, contradict, or clarify its terms, the intent of the Parties or their counsel, or the circumstances under which the Stipulation was made or executed.

25. Calculation of Time Period. All time periods set forth herein shall be computed in calendar days unless otherwise expressly provided. In computing any period of time prescribed or allowed by this Stipulation or by order of Court, the day of the act, event, or default from which the designated period of time begins to run shall not be included. As used herein, "legal holiday" includes New Year's Day, Martin Luther King, Jr., Day, Presidents' Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, Christmas Day, and any other day appointed as a federal holiday.

27. Amendment; Waiver. This Stipulation shall not be modified in any respect except by a writing executed by all the Parties hereto, and the waiver of any rights conferred hereunder shall be effective only if made by written instrument of the waiving party. 30. Execution. This Stipulation may be executed in counterparts by facsimile or original signature, each of which shall constitute and be deemed one and the same instrument. Each of the attorneys executing this Stipulation on behalf of their respective client(s) hereby represents and warrants that they have full power and authority to do so.
