I. GENERAL INSTRUCTIONS

If you were notified that your private information was potentially compromised in a June 2020 data incident experienced by EyeMed Vision Care, LLC ("EyeMed"), you are a Class Member. The event that caused your data to be lost is referred to here as the "Data Incident."

The Settlement establishes a \$5,000,000.00 fund to compensate Class Members for their lost time and out-of-pocket losses or expenses, as well as for the costs of notice and administration, service awards to class representatives and attorneys' fees and expenses as awarded by the Court. As a Class Member, you are eligible for cash payments as reimbursement for your time and money spent in response to the Data Incident (such as money spent on credit monitoring), as well as for any money you lost as a result of incidents of fraud or identity theft caused by the Data Incident. You must fill out this claim form to receive these benefits. You may submit a claim for one or more of these benefits, including that you may receive each of a lost time payment, out-of-pocket loss payment, and/or pro rata cash payment. All payments for valid claims under the Settlement, including those for Lost Time and Out-of-Pocket Expenses, may be reduced pro rata based on the total number of valid claims.

The benefits are as follows:

a. \$50 Estimated Pro Rata Cash Payment

After distributing funds for the claims payments set forth above to claimants, as well as attorneys' fees, Class Counsel's expenses, and Administrative Fees, if there is any money left over, the Settlement Administrator will make pro rata settlement payments of the remaining Settlement Fund to each Settlement Class Member who submits a cash payment claim. The remaining amount of the Settlement Fund will be distributed *pro rata* for each Settlement Class Member who submits a valid claim, which may increase or decrease the estimated \$50 cash payment amount.

b. Lost Time Claims

You may submit a claim for reimbursement for time spent resolving issues attributable to the Data Incident. You will be reimbursed at \$25/hour of time spent for a maximum of 4 hours, **up to \$100 in total.** By filling out this claim form, you must attest to the amount of time you spent attempting to mitigate the effects of the Data Incident on your life. This can include, for example, time spent on the phone with banks, time spent dealing with replacement card issues or reversing fraudulent charges, time spent monitoring accounts, or time spent freezing your credit. **You do not have to include documentation of your lost time. Instead, you can swear, under penalty of perjury, to the amount of time you spent**.

c. Out-of-Pocket Expenses

You are eligible to receive reimbursement for money you paid to protect yourself from the Data Incident such as money spent on a credit monitoring service. You are also eligible to receive reimbursement for money you lost as a

result of fraud or identity theft, if that money has not been reimbursed from another source. This includes:

- Unreimbursed losses relating to fraud or identity theft;
- Professional fees including attorneys' fees, accountants' fees, and fees for credit repair services;
- Costs associated with freezing or unfreezing credit with any credit reporting agency;
- Credit monitoring costs that were incurred on or after the Data Incident through the date of claim submission;
- Parking expenses or other transportation expenses (including the cost of fuel) for trips to a financial institution to address fraudulent charges or receive a replacement payment card;
- Instances of verified fraud such as fraudulent bank or credit card charges, fraudulent tax filings, fraudulent opening/closing of bank or credit accounts, unemployment filings, or other fraudulent actions taken using your information from the Data Incident; and
- Miscellaneous expenses such as notary, fax, postage, copying, mileage, and long-distance telephone charges.
- Other expenses that are reasonably attributable to the Data Incident that were not reimbursed.

These Out-of-Pocket Expenses must be documented; you must submit copies of documents supporting your claims, such as receipts or other documentation. "Self-prepared" documents, such as handwritten receipts, will not count as documentation, but you can submit them as clarification to other, official documents.
